

Call for presentations at the 2025 Online Research Symposium: 26th March 2025, 10:00 CST

The SIEC-ISBE International mission enhances the international perspective of business and business education professionals by providing international educational and networking opportunities. One of our priorities is supporting business education researchers by offering a platform to present research in progress and receive feedback.

The Executive Committee invites submissions of conceptual papers, empirical studies, and student projects related to business education. Areas of interest include, but are not limited to, the following topics:

- Pedagogical practices
- Using Generative AI to enhance teaching and learning
- Use of technology in teaching and learning
- Discipline-specific topics related to business, economics and accounting education
- Leadership in business education

We encourage you to present and share your research. Send your abstract via the [online submission system](#).

Submissions for this symposium are due by March 1st, 2025.

The symposium will occur on March 26th, 2025, at 10:00 CST.

We encourage members (who are not presenting) to attend this symposium to learn from the presentations and provide critical feedback. Please register [here](#) by 19th March.
